

**A Convenience Packed Medical Food & Drug**

# **Theracodophen-750™**

- ▶ **Theramine™ 90 Capsules**
- ▶ **Hydrocodone 7.5 mg + Acetaminophen 750 mg 30 Tablets**

No Refills Without  
Physician Authorization

**Rx Only**  
NDC# 68405-8498-36  
of this co-pack

## **Theracodophen-750™** **Convenience Pack**

### **Hydrocodone - Acetaminophen: Why is this medication prescribed?**

Hydrocodone-Acetaminophen is a combination of a narcotic (hydrocodone) and a non-narcotic (acetaminophen) used to relieve moderate to severe pain. Hydrocodone works by binding to opioid receptors in the brain and spinal cord, and acetaminophen acts by decreasing the formation of prostaglandins, therefore relieving pain.

### **Theramine™ - Why is this medication prescribed?**

**Theramine** is a Medical Food product designed to aid in the nutritional management of pain syndromes. **Theramine** stimulates production of serotonin, GABA, norepinephrine, nitric oxide and acetylcholine, the neurotransmitters that are involved in pain and inflammation. If the timing and secretion of these neurotransmitters are effectively modulated, acute and chronic pain disorders are more effectively managed. **Theramine** provides L-arginine at a low dose along with choline and L-glutamine used to inhibit the NMDA and opioid receptors.

**Theramine** aids in the nutritional management of serotonin, GABA, and acetylcholine production deficiencies in patients with pain syndromes.
